REASONS FOR ALLOWANCE

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: the instant application is deemed to be directed to a nonobvious improvement over the invention patented in US Patent 5,616,924. The improvement comprises in combination with other recited elements, a second optical filter controllably movable from a third position between the scintillator and the imaging elements to a fourth position not between the scintillator and the imaging elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2884
